## From the International Director

*We are honored to present our Impact Report, which serves as a snapshot of what the Lord has accomplished in 2022 through your support of our national teams.*

As we reflect on the past year and look towards the future, we want to take a moment to express our deep gratitude for your support and generosity. This year marks our 75th anniversary, and we remain committed to our original vision of accelerating the spread of the Gospel worldwide.

Your giving in 2022 has made a tremendous impact, allowing us to provide humanitarian aid to Ukrainian refugees, expand discipleship training in closed countries, and plant churches in the face of persecution.

We invite you to celebrate what the Lord has done in 2022 and to explore the critical role you can play in the ministry of AFCI in the year to come. Your partnership will

enable our 22 AFCI nations to make a lasting Kingdom impact around the world.

## A Rich History

AFCI's national teams reach where other ministries can't, like AFCI North Africa (above), which has operated a Bible college for 30+ years in a closed country. Your faithful giving has even opened doors for expansion into new nations.

## A Promising Future

South Sudan's Faith Institute expands AFCI North Africa's work, training pastors and leaders to multiply churches. AFCI's reach will expand further with the Dominican Republic's partnership, which will focus on evangelizing, planting churches, and training church planters.

## South Sudan

We are excited to launch a Bible college in South Sudan, the world's newest country. Read more about this influential ministry:
