

Impact Report 2024

“For we are co-workers in God’s service...”

From the International Director

We are excited to share our 2024 Impact Report, offering an overview of how your support empowered our national teams this past year.

In 2024, Linda and I visited three of our national teams. It was a blessing to join them in various ministry events. In the Dominican Republic, we went door-to-door sharing the Gospel in a remote mountain village. In Spain, we met new refugee believers being equipped to plant indigenous churches in Spain and their home countries. In Australia, I participated in the induction service of the new National Director as the baton of leadership was passed.

It's remarkable to see the profound impact our national teams are having worldwide.

Each month, I read reports from AFCI's national leaders highlighting testimonials of those affected by their ministries. God is moving powerfully as our teams continue to accelerate the spread of the Gospel through local churches.

We invite you to celebrate the incredible work the Lord has accomplished through your support. Your continued partnership in 2025 will empower AFCI's 23 nations in advancing God's Kingdom worldwide.

Experiencing God's Love

Ibo (above, left) fled Burkina Faso after jihadists brutally killed his entire family. Desperate for safety, he traveled across North Africa and endured unimaginable hardships. He boarded a boat in Morocco bound for Spain, but tragedy struck when the vessel sank, claiming 30 lives.

Miraculously, Ibo survived and applied for refugee status in Spain. The government sent him to the Tharsis Betel refugee center in Jerez, where the AFCI team

began to care for his physical and emotional wounds.

After three months of recovery and love-filled support, Ibo attended AFCI Spain's retreat for refugees. There, he made the life-changing decision to follow Jesus. Reflecting on his journey, he said:

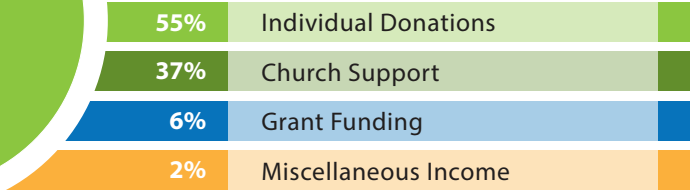

"What changed my Muslim heart was your love. I've never experienced such love before. Thank God for letting me meet you."
