

Impact Report 2025

"Let us not grow weary in doing good ..."

Galatians 6:9 (ESV)

From the International Director

This Impact Report acts as a snapshot of what the Lord has done in 2025 through your support of our national teams.

Across our broken world, the weight of suffering is heavy. In 2025, war, poverty, and uncertainty shaped daily life for countless people. Yet the Lord continued to move powerfully through AFCI's teams around the world. From leadership training for 4,700 pastors and ministry workers in North Africa, to revival meetings in India reaching nearly 1,200 people, thousands of lives have been touched through these ministries.

Another example comes from Romania, where hundreds of people live at the Pata Rât landfill on the outskirts of Cluj-Napoca. Pollution, inadequate sanitation, and limited access to clean water often lead to disease and premature death.

Last winter, our AFCI team distributed coats and hygiene items to many families in Pata Rât. A young girl named Firuta (pictured on the front) heard about Jesus for the first time as she received her care package. As she reflected on the Good News she had heard, she said it was, "the best day in a long while."

Stories like Firuta's remind us that behind every number is a life touched by the hope of the Gospel.

A Refuge in Chernivtsi

In 2025, war in Ukraine continued to uproot millions, leaving many facing deep loss. Yet amid great hardship, AFCI's team ministered to displaced families with compassion and the love of Christ.

In the western city of Chernivtsi, they welcomed families arriving with little more than the clothes they carried. They offered warm meals, listening hearts, and earnest prayer. Many were surprised to find that the local church remains a place of open doors and genuine care—a refuge in a world turned upside down.

Through conversations, shared tears, and gentle counsel, many heard the Gospel clearly for the first time. Vira Stepanivna (pictured above), displaced from the Kharkiv region after losing her husband in the war, found a church community and new life in Christ. Last summer she publicly declared her faith through baptism, bringing great joy to the congregation.

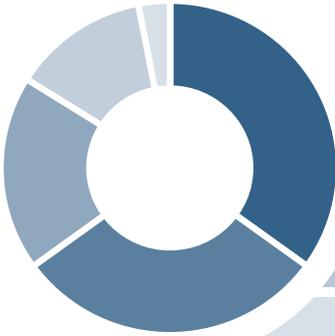

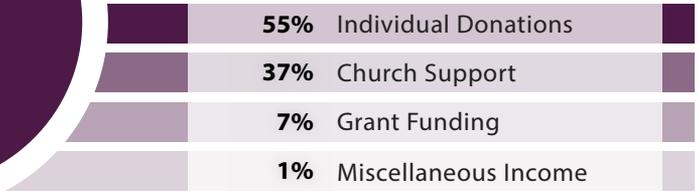

Even amid the hardships of war, the ministry in Chernivtsi stood as a reminder that Christ is still drawing people to Himself and healing wounded hearts.
